DOMAIN NAME INFORMATION

If you already have a domain name, and wish to switch your hosting account to us, please provide us with your existing domain name. Depending on your registrar, **you** will be responsible for changing (transferring) the DNS Name Servers to point to ours. Once this process is complete, your hosting account will be setup on VLE Servers. Please remember to keep in mind you will need to re-upload your website. (We recommend you back-up your website (*copy web files*) prior to changing the DNS Names)

Please use the below DNS Name Servers when making your transfer:

ns1.verdunlyles.com
ns2.verdunlyles.com

Check below if you are unable to complete this transaction and need assistance. One of our representatives will contact you immediately.

Please assist me with Domain Transfer

An Example web address: "http://www.yourdomain.com"
Please enter your domain name below:

Domain Name: **www.**

ACCOUNT PASSWORD INFORMATION

Choose the password of your domain name account. You will use this password to log in to our servers and transfer your web pages. Your password must be 6 or more characters in length, and can consists of letters (a-z) and numbers (0-9). *Passwords are case sensitive.*

Password:
